# Our LBDU Services

# Debt Securities

## Brokerage Services

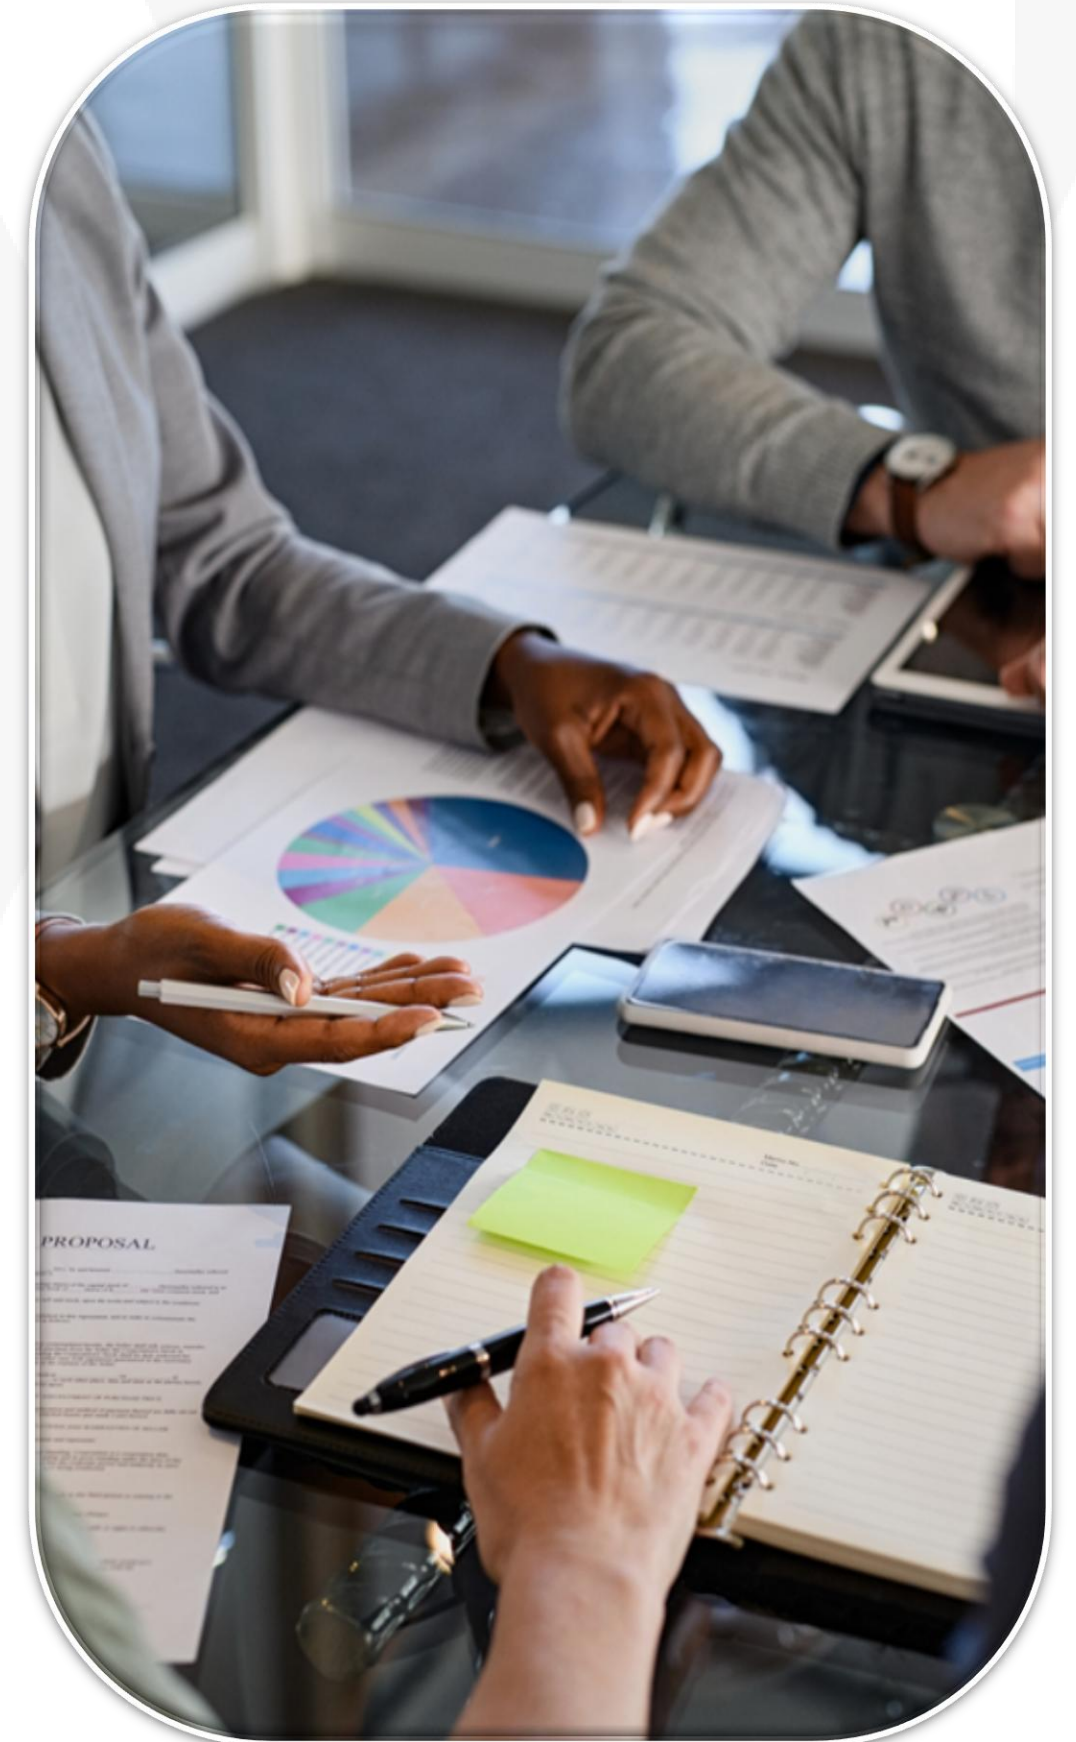

We are a brokerage firm specializing in both the primary and secondary markets for debentures, providing comprehensive services to clients interested in debt instruments.

# Issuer Analysis & Credit Assessment

## Creditworthiness Evaluation

- ✓ We conduct thorough analyses of debenture issuers, assessing their financial health, business model, industry position, and economic outlook.
- ✓ We specialize in asset appraisal, such as land, building, and stocks, to be used as collateral.

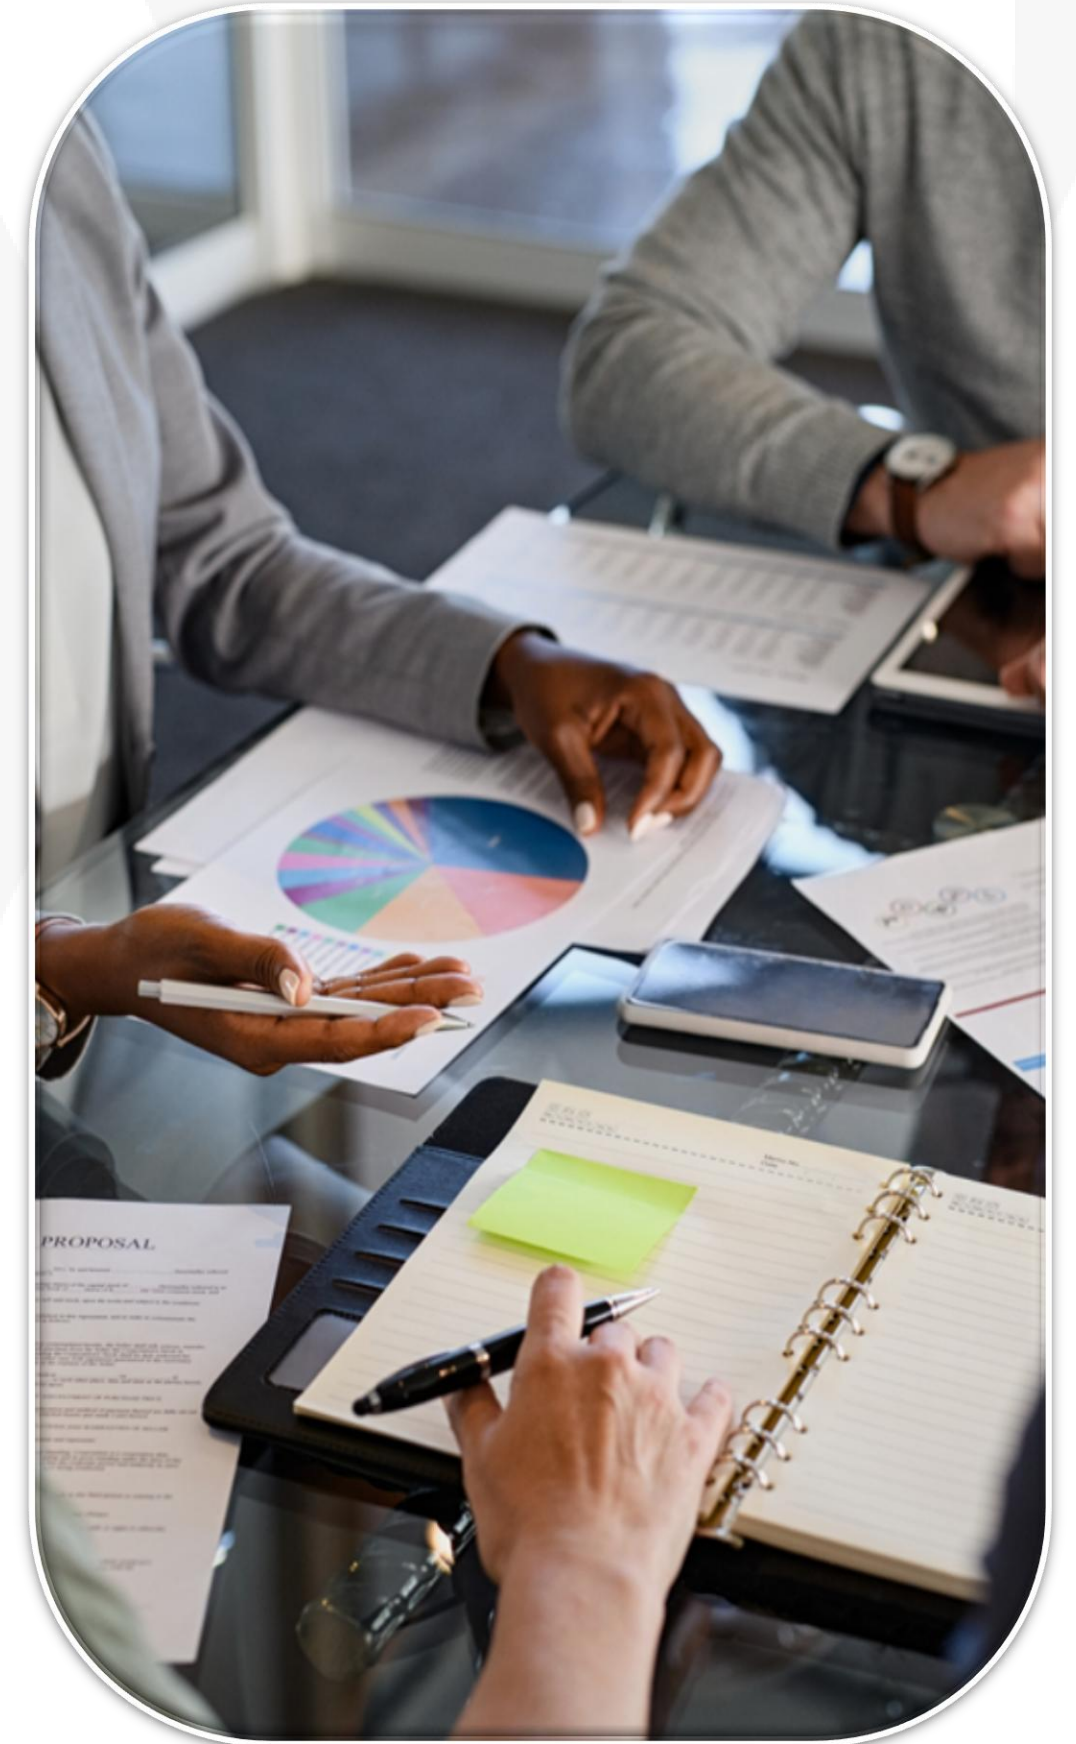

# Issuer Analysis & Credit Assessment

## Risk Matching

- ✓ We match debentures to investors who have varying risk appetites.

# Private Fund & Mutual Fund Management

We focus exclusively on *derivative securities* and *digital assets* in managing portfolios of fixed-income investments. These funds are typically structured to cater to the needs of high-net-worth individuals or to meet specific investment mandates.

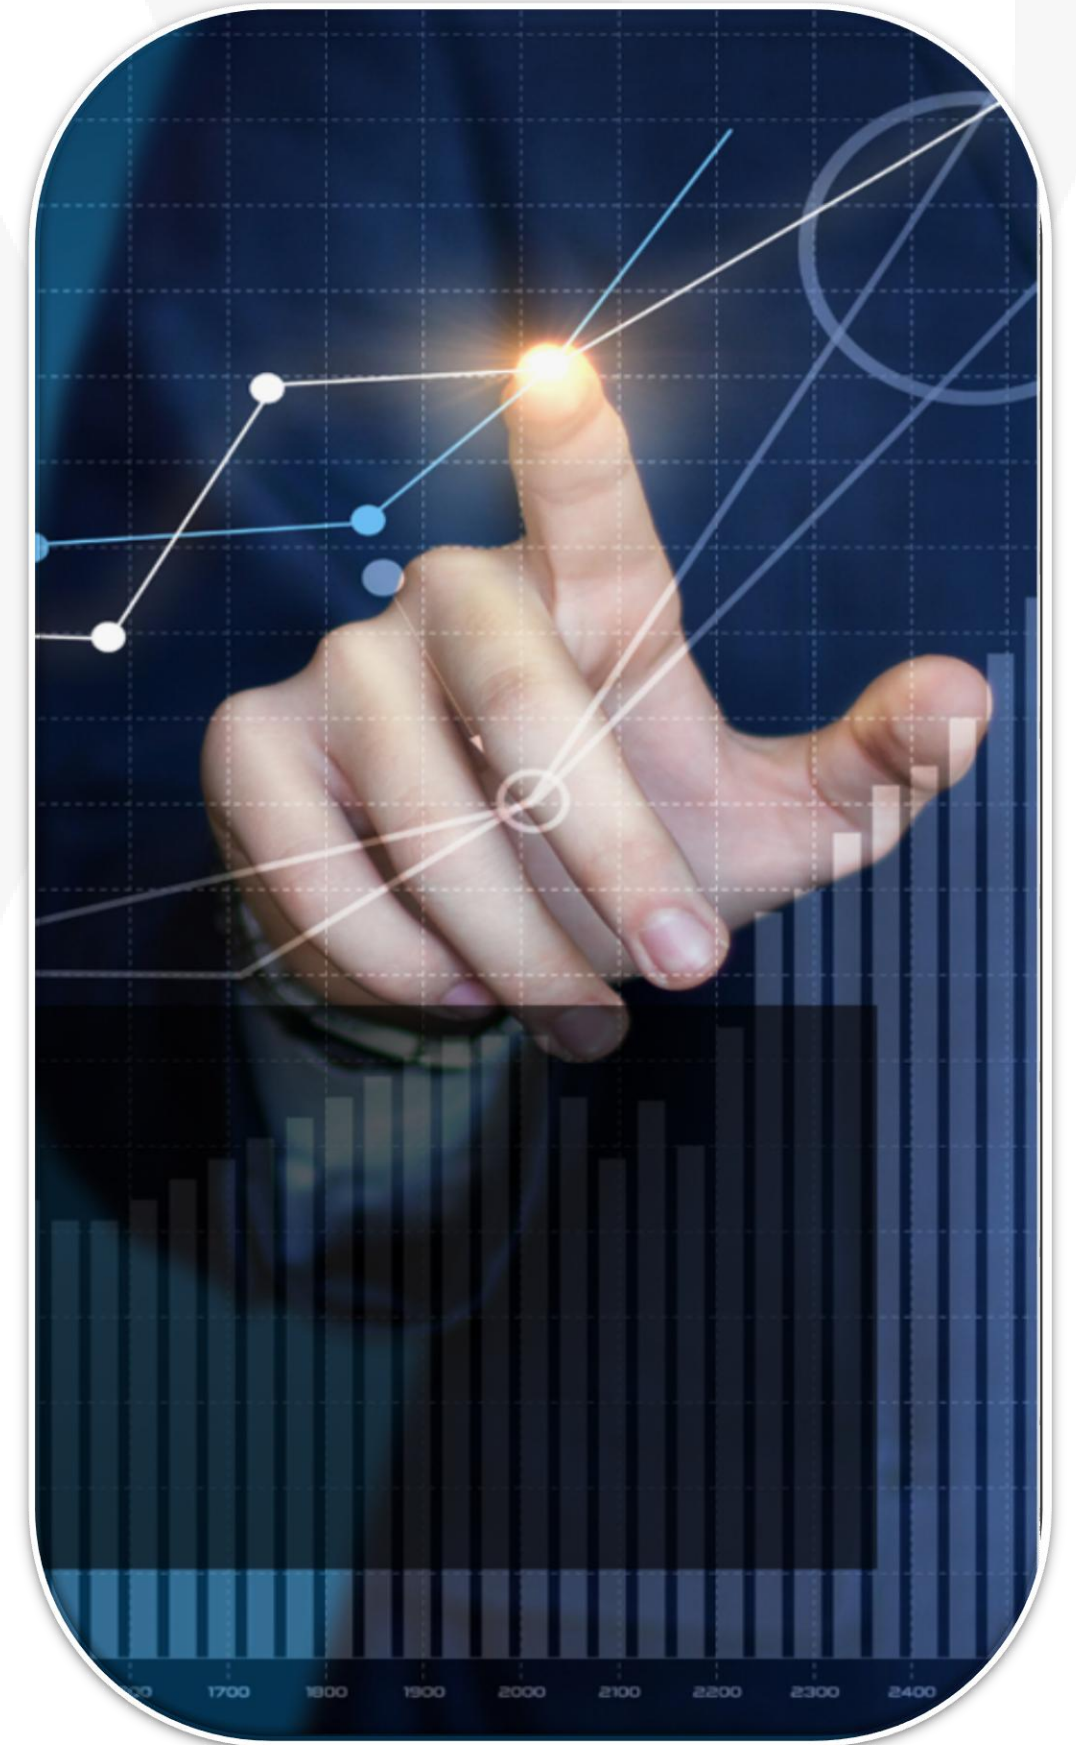

# Investment

## Focus

We select *derivative securities* and *digital asset* to reduce the risks associated with these instruments. Our strategies include *put-call options* and *asset-backed tokens*.

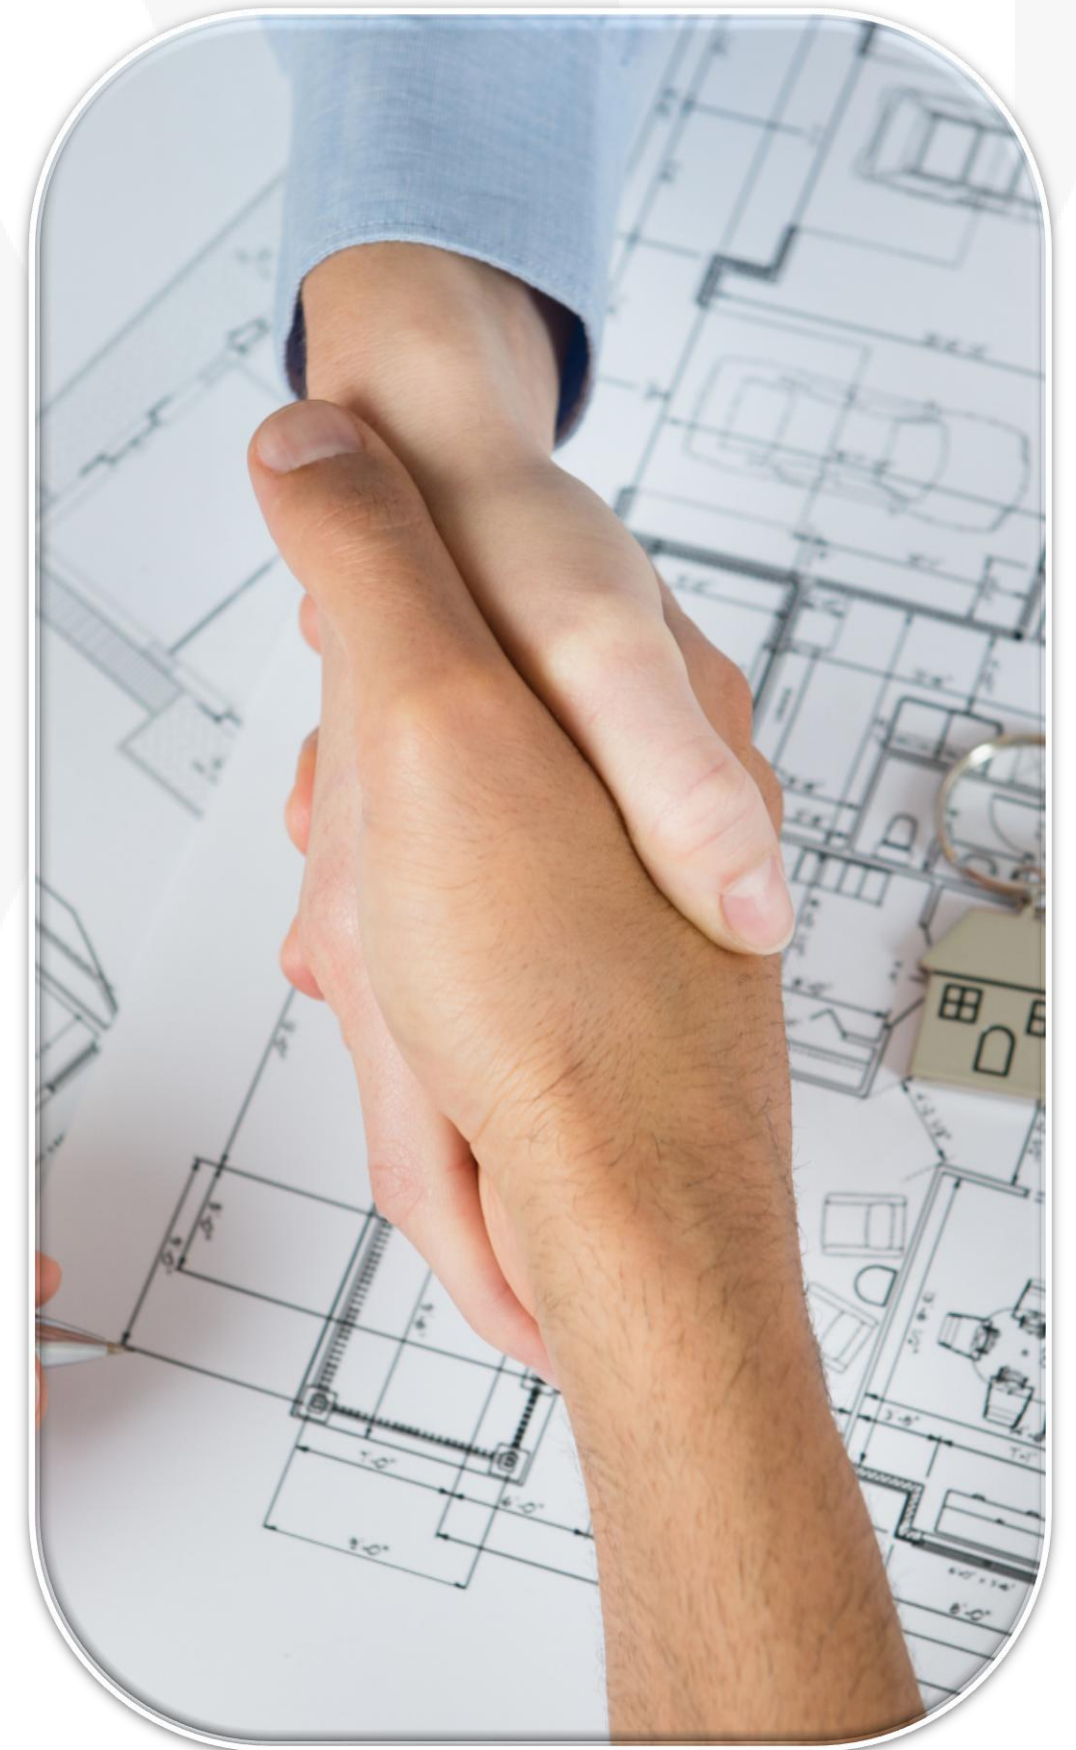

# Investment

## Focus

We have partnered with  
**Singapore Exchange Limited**  
(SGX Group)

to advance regional capital market development  
and investment cooperation.
